COMMENTS: Candidate sent in her waiver request by certified mail and states that the 30-P report was filed late due to her own mistake. She is a first time candidate and handled every aspect of her campaign. She said for some reason she did not think to file the 30-P and did not put the date on her calendar as she did the other reports. She said when she realized the error she immediately faxed the report in. She requests the board to waive or reduce the late fee.
